elite CR-202

ELECTRONIC CASH REGISTER WITH EURO MANAGEMENT

ELITE CR-202

Budget-priced but big on performance the Elite CR-202 cash register offers many features of much larger and more expensive machines. Suitable for any retail business.

This operator-friendly model provides a complete analysis of department sales, function totals and actual drawer totals. Cashier has the option of supplying a printed customer receipt or a journal tape using thermal printer with easy paper loading.

EIGHT DEPARTMENTS

The Elite CR-202 features 8 departments. Departments may be programmed 'Single Item' department for fast registration of single item sales. They can also be programmed with a preset price.

FINANCIAL REPORTS

The Elite CR-202 gives you a thorough review of your business with a complete analysis of your department sales, function totals and actual drawer totals to help you protect your valuable profits. Cash in drawer total via front display.

OPTIONAL RECEIPT/JOURNAL

Single Station Printer can be programmed for either customer receipt or retain transaction record on audit roll. Receipt only on demand facility saves paper. Re-print receipt going back 3 transactions.
